

Careers That Work! Scholarship Program

Poster Design Contest

We believe in the talent of our students!

\$500 First Place Prize

Since 1999, the Northwest Career Colleges Federation has made available tuition scholarships to every high school in Oregon, Washington and Idaho to award to graduating seniors to attend one of the participating career colleges. For the 2011 graduating year, each high school may award five \$1000 scholarships.

We believe in the talent of our students! Who better to design a poster to advertise the scholarship than students studying at one of the NWCCF's member schools! Posters will be distributed to every high school in the three states – over 1000 high schools.

Rules for Design Submission

1. All designs submissions must be postmarked no later than October 8, 2010.
