501(c)(6) non-profit organization located at  
16700 NE 79<sup>th</sup> St., Ste. 201, Redmond, WA 98052

# “Applying Learning Theories for Student Success”

During this compelling workshop you'll learn to identify different intake styles and intelligences and explore proven strategies for teaching to those.

*During this workshop you will:*

- be provided tools and resources that guide the development of an effective lesson plan that reaches all learners.
- learn effective techniques for delivering curriculum to a diverse learning population.
- learn how to rapidly identify intake styles.
- learn how to categorize strategies to teach to different intelligences.

Participants will participate in classroom scenarios that will provide techniques and strategies you can use *tomorrow* to help students learn and retain information.

**When: Friday, June 18, 2010**

**Time: 8:30 a.m. to 11:30 a.m.**

**Where:** Hilton Hotel  
921 Sixth Ave  
Portland, OR 97204

**Cost:** \$125 p/p 1-5 registering from a school (member)  
\$75 p/p, 6+ registering from a school (member)  
\$175 p/p non-member

### About the Presenter

Jeff Schillinger is currently the Associate Provost for Policy and Administration for Harrison College, a 108 year old group of privately-held career colleges in Indiana and Ohio. Prior to joining Harrison College, Jeff served as the National Dean for ITT Educational Services. His primary responsibility during the past 13 years has been training teachers and administrators to better serve students and improve outcomes. Jeff earned his Bachelor of Science degree in Education from Wayne State University and his Master of Science degree in Education from Indiana University.
